BID NO. 25-008

FOR

DOCUMENT DESTRUCTION SERVICES (REBID)

INFORMATIONAL ADDENDUM NO. 1

DATED ISSUED: April 24, 2025

1. **In the bid proposal there is a request for 95-gallon/300-pound capacity, or 175-gallon/600-pound capacity, with wheels.**

**We may or may not be able to provide these types of bins as they are over the weight capacity for tipping and driver handling. We will substitute the 64-gal totes to equal the said bins and price. Is that acceptable?**

In your bid proposal please list any substitutes or deviations from the original Exhibit A for consideration under "List any additional costs not described above" or on an additional page.
